“ When I was just 8 years old I joined the Stewart & Labbe Orthodontic family. As a result of that relationship, I now have a smile that has benefited me in more ways that I could ever have imagined. My orthodontic treatment elevated my self confidence, and has opened new doors for me. I now look forward to going to college, going to job interviews, and meeting new people. My smile will reflect a dependable and secure person. I am truly thankful for the positive experience, and am proud to be a member of the Stewart & Labbe Orthodontic family. ”
